Hard Skill

- Programming Languages:
  C, C++, Java, Python
- Javascript:
  React JS, Node JS
- Api:
  Postman, RESTful
- DBMS:
  My SQL, Oracle DB
- Web Development:
  HTML, CSS, JAVASCRIPT, PHP

Soft Skill

- Continuous Learning
- Decision making
- Communication
- Multi-tasking
- Time Management
- Problem-Solving

Education Background

- **Alva's Institute of Engineering and Technology**

  Bachelors of Engineering in Computer Science Engineering   **CGPA:9.2**

  2020 - Present

- **St. Joseph's Pre-University College**

  Karnataka Secondary Education Examination Board

  2018 - 2020   **PCME:83.33%**

- **Sree Saraswathi Vidyalaya High School**

  Karnataka School Examination and Assessment Board

  2015 - 2018   **SSLC:96%**

Career Objective

A passionate Computer Science Engineer with a solid foundation in algorithms, data structures, and Web development, seeking an entry-level position in a dynamic organization for continuous learning and growth. Eager to excel while contributing technical expertise and collaborating on impactful projects as a Software Developer Trainee, driving innovation and company growth.

Projects

- **FOOD ORDERING SYSTEM:**

  Revolutionized food ordering with a streamlined Database Management System, user-friendly website, and centralized order storage. Utilized Visual Studio, XAMPP, MySQL, PhpAdmin, HTML, CSS, JavaScript, SQL, and PHP for efficient implementation

- **WATER REMINDER ANDROID APP:**

  Transformed hydration habits with a cutting-edge Water Reminder App, leveraging modern technologies and Oracle Database integration. Seamlessly implemented features using technologies such as React Native, Firebase, and Oracle Database for a smart and user-friendly experience.

Coding Profile Links

- **CODECHEF:**   600+ Questions solved (Rating - 1278)
- **LEETCODE:**   100+ Questions solved
- **GITHUB:**   300+ Contributions made
- **HACKERRANK:**   60+ Questions solved

Languages

- English
- Kannada
- Hindi

Extra Interests

- GYM and Fitness
- Karate
- Music
- Cricket

Courses

- **UDEMY:**
  Java Programming Master Class

- **POSTMAN API:**
  Postman API Student Expert

- **WIPRO TALENTNEXT**
  Talent Next Java Full Stack
